

# MAKE, DO AND LEARN BUNDLES

We're now taking orders for our Make, Do and Learn Bundles of printed learning resources for primary school children!

Our resources have been designed to complement and enhance the NI Curriculum (Primary) in various areas such as:

- Language and Literacy
- The World Around Us
- Personal Development
- Mutual Understanding

They are suitable for Key Stages 1 and 2.

Each bundle includes:

- ***Don't Forget to Write*** which encourages pupils to imagine life as an evacuee and write a letter home inspired by facts about evacuation and first-hand accounts from local people who experienced it.
- ***Become a War Artist*** which allows children to create a Blitz drawing inspired by wartime art, photography, and oral history accounts.
- ***Make your own Ration Book***
- ***Make your own Identity Card***
- **A pencil, sticker and colouring-in activity**

Depending on your class size, the resources (one of each activity per pupil) will be bundled together and wrapped in recyclable brown paper for collection from the museum.

Parents and home educators are also encouraged to place individual orders.

Place an order now by emailing

**[learning@niwarmemorial.org](mailto:learning@niwarmemorial.org)**

We have a limited amount available per term and they will be allocated on a first come, first served basis for collection from the museum.

We advise that teachers and parents use our resources at their discretion, as the subject of war and separation can be difficult for many children.
