

## FOR PRIMARY SCHOOLS

CONNECT WITH US ONLINE as we bring the museum to your classroom with a live and interactive workshop suitable for Key Stage 1 and Key Stage 2 learners.

Our live streamed and pre-recorded workshops explore objects and photographs from the collection, as we look at life in Northern Ireland during the Second World War and have been developed with the help of teachers.

A series of pre-recorded workshops and a range of learning resources are also available and can be used as follow up activities in school or at home to support remote learning.

Workshops and resources are **FREE OF CHARGE** and are available during term time.
