You Are My Sunshine

Chorus

*You are my sunshine, my only sunshine
You make me happy when skies are grey
You'll never know, dear, how much I love you
Please don't take my sunshine away*

The other night, dear, as I lay sleeping
I dreamt I held you in my arms
When I awoke, dear, I was mistaken
So I bowed my head and cried

Repeat chorus

I'll always love you and make you happy
If you will only say the same
But if you leave me how it would grieve me
Nevermore I'll call your name

Repeat chorus

We'll Meet Again

We'll meet again, don't know where, don't know when
But I know we'll meet again some sunny day
Keep smiling through, just like you always do
Till the blue skies drive the dark clouds far away

So will you please say hello to the friends that I know
Tell them I won't be long
They'll be happy to know that as you saw me go
I was singing this song

We'll meet again, don't know where, don't know when
But I know we'll meet again some sunny day
Keep smiling through, just like you always do
For I know we'll meet again some sunny day

(There'll Be Bluebirds Over) The White Cliffs of Dover

There'll be bluebirds over the White Cliffs of Dover
Tomorrow, just you wait and see
There'll be love and laughter and peace ever after
Tomorrow, when the world is free

The shepherd will tend his sheep
The valley will bloom again
And Jimmy will go to sleep
In his own little room again

There'll be bluebirds over the White Cliffs of Dover
Tomorrow, just you wait and see
There'll be love and laughter and peace ever after
Tomorrow, when the world is free

When You Wish Upon a Star

When you wish upon a star
Makes no difference who you are
Anything your heart desires will come to you

If your heart is in your dream
No request is too extreme
When you wish upon a star as dreamers do

Like a bolt from the blue
Fate steps in and sees you through
When you wish upon a star as dreamers do

Somewhere Over the Rainbow

Somewhere over the rainbow, way up high
There's a land that I've heard of once in a lullaby
Somewhere over the rainbow, skies are blue
And the dreams that you dare to dream really do come true

Someday I'll wish upon a star
And wake up where the clouds are far behind me
Where troubles melt like lemon drops away above the chimney tops
That's where you'll find me

Somewhere over the rainbow, bluebirds fly
Birds fly over the rainbow. Why then, oh why can't I?
If happy little bluebirds fly beyond the rainbow
Why, oh why can't I?
