

REMINISCENCE LOAN BOX

Our **Reminiscence Loan Boxes** can support activity therapists and community group leaders to facilitate enjoyable reminiscence workshops. They stimulate curiosity and provide a hands-on approach to thinking about the past.

Our **Reminiscence Loan Box** can bring wartime memories to life. Browse through a ration book, hold a darning mushroom in your hands, smell a tin of dried eggs and look through a cigarette card album of 1940s movie stars.

Our Loan Boxes focus on life on the Home Front during the Second World War and include objects, photographs, background information, ideas for activities and guidance notes for use.

A Loan Box can be borrowed from the museum for up to two weeks.
